

Thank you for considering **GO 2 DANZ Studio** for your child's dance education. The 'OKSANGEL PROJECT' provides a unique opportunity for children and teenagers to learn a variety of dance techniques. Your child will gain self-confidence and grace while learning dance technique from our kid friendly, professional instructors. **We only use age appropriate costumes for our recitals and the music selections used at the studio is carefully screened for language and content.** We look forward to sharing the world of dance with your child!

Impromptu children's activities in the backyard and on the front lawn kept us healthy and fit. Those days have somehow passed, and in a society where children eat more unhealthy foods than greenery, we are seeing increased proportions of our youth population suffer from heart disease, arthritis and other ailments that are generally associated with older age. Only by teaching our kids about health and fitness can they fulfill the physical potential which we were created to embody. We need to ensure that our children learn to make good food choices and MOVE!

WITHDRAWAL:

Withdrawal notification must be made in writing and a 2 week notice given. When you register for dance you are signing up for the entire semester. We feel that you should allow an adequate time frame to assess the value of dance lessons. It is very important for children to learn the value of commitment of finishing what they start. We realize that certain circumstances may occur where it is impossible to continue dance classes, but then a parent fizzles out because of inconvenience they are teaching a child to rationalize quitting. Please do not leave a message on the answering machine or tell the teacher you are withdrawing. We have a withdrawal card that you can fill out at the front office. If a 2 week written notice is not received, you will be obligated to pay for the next month's tuition.

REFUNDS:

There are absolutely no refunds of tuition, registration, costume, recital fees paid.

Our studio charges a participation fee in addition to ticket sales for the recital. A fee of \$32 per dancer will include 4 tickets for the night of your choosing.
